Provide your billing and shipping address.

Select your payment information.

Financial aid recipients and BSMH employees using employee tuition assistance through GUILD should select the book voucher as the payment option.

What are book vouchers?

All students can purchase their class materials through eCampus with a book voucher. First read how book vouchers work before you select it as an option (see below).

How do book vouchers work?

When you select Book Voucher, Mercy College will include the charges on your student bill for the amount purchased (i.e., \$399.57). By selecting Book Voucher you acknowledge financial responsibility for any amount purchased and will make payment, or have adequate financial aid scheduled to cover any charges, in accordance with school deadlines. Book vouchers are an option only with eCampus.
