Mercy College Week 11!

Welcome to Week 11 of the Fall 2020 semester. The tenth week of on-campus activities went well with no major incidents. **Thanks to everyone who followed all the safety guidelines. Our goal is to provide a safe and healthy environment for students, faculty, and staff, and we also need your assistance to be successful!**

PLEASE BE SURE TO SOCIAL DISTANCE AND WEAR YOUR MASKS!

Our mission is to educate and inspire students to lead and to serve in the global community and by living our values of compassion, excellence, human dignity, justice, sacredness of life, and service.

This year has been fraught with the COVID-19 crisis and racial and social injustices.

Please continue to be mindful and keep our nation in your thoughts and prayers. As Catherine McAuley stated, “A community in which this universal charity reigns, is capable of surmounting all difficulties”.

It is my sincere hope that you and your families are all well!

The eleventh week of Fall semester begins November 2nd with a continuation of all content (lecture material) being delivered in the online and/or digital-mediated format. On-campus activities will continue with skills labs, science labs, simulation and other activities as directed by your faculty members. Please follow their guidance.

At this time the College is prepared for clinical/preceptor experiences at many of the Mercy Health facilities as well as other area health facilities. All faculty and staff want to provide the best educational experience possible given the challenges we face so we are going to need everyone’s assistance! **Safety and the health and well-being of everyone is first and foremost our top priority, which means that all safety plans must be followed to ensure a healthy environment.**

NEW!!**Commencement at Our Lady, Queen of the Most Holy Rosary Cathedral or at the Basilica of Our Lady of Mount Carmel Reception Hall (Option 1)**

The commencement ceremony in **Toledo is scheduled to be held on Thursday, Dec 17, 2020 at Our Lady, Queen of the Most Holy Rosary Cathedral** and the **Youngstown ceremony is scheduled to be held on Friday, Dec 18, 2020 at 6:00pm at The Basilica of Our Lady of Mount Carmel Reception Hall.** All 2020 graduates have been invited to participate in the celebration, which includes the following outreach (email, text messages and phone calls) to May and August graduates, and the December candidates for graduation.

Due to health and safety concerns, commencement ceremonies will look very different. The processional and recession are prohibited by the Cathedral and the Reception Hall. Also, we will have a soloist who will sing our hymns, and all other participants will be asked **not to sing** to reduce the aerosol spread. Each ceremony will also have a student speaker in lieu of both a commencement speaker and a student speaker.

May and August graduates and December candidates for graduation must RSVP to participate.

[Youngstown Graduate RSVP](#)

The safety of everyone is of utmost importance to Mercy College! Please do not attend if you have any symptoms of the coronavirus or the flu/cold.

Graduates will be permitted to bring three guests to the Cathedral or to the Reception Hall, and face coverings that cover both the nose and mouth must be worn at all times while in the venues and all social distancing guidelines will be enforced. In Toledo, students will be assigned to one of up to four ceremonies to attend depending on the number of participants. Since guests will be limited and most of the Mercy College community will not be attending, we are exploring live stream options in both Toledo and Youngstown. We ask that only children who can wear a face mask for the duration of the ceremony (one hour) attend. It is preferred that guests accompanying the graduates are adults.

Contingent upon health and safety conditions in each location on Monday, December 7, 2020 a final decision will be made by college administration along with incident command regarding the ceremony outlined in Option 1 or to move to Option 2 or 3

On Campus Drive Through Ceremony in Toledo and/or Youngstown (Option 2)
