Changes in College Hours – P. 4
Happy Thanksgiving!

Mercy College Week 14!

Welcome to Week 14 of the Fall 2020 semester. **The thirteenth week of on-campus activities saw a change in overall faculty/staff/students in the College protocol under the direction of Jennifer Barber, College Health Nurse. With the increasing numbers of cases in the State of Ohio and across the country, and those in protocol at the College, a decision has been made to alter the remaining weeks of on-campus activities. Please see information on P. 4 of the Newsletter.**

Thanks to everyone who followed all the safety guidelines to ensure a safe and healthy environment as we transition to the online/remote learning environment. There will still be some urgent activities that take place on campus. Please follow the directions and guidance of your faculty members.

PLEASE BE SURE TO SOCIALY DISTANCE AND WEAR YOUR MASKS WHEN ON CAMPUS!

Our mission is to educate and inspire students to lead and to serve in the global community and by living our values of compassion, excellence, human dignity, justice, sacredness of life, and service.

This year has been fraught with the COVID-19 crisis and racial and social injustices. **We must now adapt and be flexible as changes are being made to the schedule. In a quote by Catherine McAuley, “We must strive to do ordinary things extraordinarily well.”**

It is my sincere hope that you and your families are all well!

The fourteenth week of Fall semester begins November 23, 2020 with a continuation of all content (lecture material) being delivered in the online and/or digital-mediated format. On-campus activities are changing - please refer to P. 4.

At this time the College is prepared for clinical/preceptor experiences at many of the Mercy Health facilities as well as other area health facilities. All faculty and staff want to provide the best educational experience possible given the challenges we face so we are going to need everyone’s assistance!

Safety and the health and well-being of everyone is first and foremost our top priority, which means that all safety plans must be followed to ensure a healthy environment.

Thanksgiving Week – College open Monday-Tuesday from 10am-3:00pm.

Communication will be provided in weekly newsletters, president updates, Canvas, social media, and our website at www.mercycollege.edu/covid19.

Email is the official form of communication at the College!

Remembering in Prayer

November is traditionally a time when Christians remember those who have died, especially those in the past year. This prayer is offered for the college community, for those we have lost and continue to hold in our hearts.

REVISED COLLEGE HOURS BEGINNING NOVEMBER 16, 2020 both in TOLEDO AND YOUNGSTOWN

Due to the increasing numbers of students and faculty/staff who are in the Mercy College travel and exposure protocol led by our student health nurse Jennifer Barber, and our Incident Commander, Marc Adkins, the following plan of action is being implemented to continue to meet the needs of our students and faculty/staff with regard to everyone's safety and well-being.

Effective Wednesday November 18, 2020 all classes will be moved to the virtual/remote/digital-mediated learning environment. ***Tuesday, November 17, 2020 will be the last day of on-campus activities unless you have an ATI, HESI or other scheduled examination.*** The rooms in which these exams take place should be staged appropriately with all students socially distanced and wearing masks. Hand sanitizer and wipes should be used to clean all computer/desk stations before and after exams.

The nursing skills lab/simulation area will be open ONLY for students who need to practice and complete their skills check offs. All practice and check off appointments must be one-on-one.

All Clinical/preceptor activities will continue as scheduled.

Faculty/staff members will send any changes or updates to students, and if you have questions, please reach out to your faculty/staff member.

The week of November 23, 2020, the College is only open two days: Monday, November 23, 2020 and Tuesday, November 24, 2020 from 10am-3pm for **URGENT** situations only and as noted above for testing and skills lab appointments.

The week of November 30-December 4, 2020, the College is open Monday-Friday from 10am-3pm for **URGENT** situations only and students may use the Jefferson sixth floor to study and to print as needed. This week will also be used for any on-campus activity that is considered make-up work. Your faculty member will provide instructions if this applies to you or your course.

The remaining weeks of the semester from December 7, 2020 through December 17, 2020, the College will be open minimal hours due to the increasing COVID numbers. The hours will be Monday, Wednesday, and Friday from 10am-2pm. Students, faculty and staff should only be on campus for **URGENT** situations. **Jefferson 6th floor** will be the point of entry for students who need to study in the cubicles, use the computers, print papers, etc.

The College will be open with faculty/staff working remotely from Friday, December 18, 2020 through Monday, January 4, 2021.

Youngstown will follow the same schedule as Toledo. Students will continue to follow the same guidelines for entering the Youngstown location. Please follow any instructions provided by faculty/staff.

Thank you for all you have done to keep the College a safe place during the last 13 weeks! We thank you also for being flexible as we move forward with the remaining weeks of the semester and into the new year!! We continue to be agile, dedicated and Mercy Strong!

As you prepare for the holidays, we ask that you continue to think of the health and well-being of your families and friends, your Mercy student colleagues, and Mercy College faculty/staff, and above all please remember to take care of yourself. This will be a difficult and challenging holiday season and we want to keep everyone safe and healthy. Many blessings to all as we enter the holiday season.

FALL COMMENCEMENT (Decision coming December 7, 2020) – Be prepared to move to Option 2 or Option 3 given the current situation.

Commencement at Our Lady, Queen of the Most Holy Rosary Cathedral or at the Basilica of Our Lady of Mount Carmel Reception Hall (Option 1)

The commencement ceremony in Toledo is scheduled to be held on Thursday, Dec 17, 2020 at Our Lady, Queen of the Most Holy Rosary Cathedral and the Youngstown ceremony is scheduled to be held on Friday, Dec 18, 2020 at 6:00pm at The Basilica of Our Lady of Mount Carmel Reception Hall. All 2020 graduates have been invited to participate in the celebration, which includes the following outreach (email, text messages and phone calls) to May and August graduates, and the December candidates for graduation.

Due to health and safety concerns, commencement ceremonies will look very different. The processional and recessional are prohibited by the Cathedral and the Reception Hall. Also, we will have a soloist who will sing our hymns, and all other participants will be asked not to sing to reduce the aerosol spread. Each ceremony will also have a student speaker in lieu of both a commencement speaker and a student speaker.

Only those students who have RSVP'd are eligible to participate.

The safety of everyone is of utmost importance to Mercy College! Please do not attend if you have any symptoms of the coronavirus or the flu/cold.

Graduates will be permitted to bring three guests to the Cathedral or to the Reception Hall, and face coverings that cover both the nose and mouth must be worn at all times while in the venues and all social distancing guidelines will be enforced. Since guests will be limited and most of the Mercy College community will not be attending, we are exploring live stream options in both Toledo and Youngstown. We ask that only children who can wear a face mask for the duration of the ceremony (one hour) attend. It is preferred that guests accompanying the graduates are adults. There will be two ceremonies in Toledo:

- Ceremony one will be from 1-2 p.m. for Associate and Certificate graduates and candidates for graduation.
- Ceremony two will be from 4-5 p.m. for Bachelors and Masters graduates and candidates for graduation.

Contingent upon health and safety conditions in each location on Monday, December 7, 2020 a final decision will be made by college administration along with incident command regarding the ceremony outlined in Option 1 or to move to Option 2 or 3.

On Campus Drive Through Ceremony in Toledo and/or Youngstown (Option 2)

- One car per graduate
- Diploma and programs presented
- Photo opportunity with Mercy College President

Virtual Ceremony in Toledo and/or Youngstown (Option 3)

- Fully online
- Names read
- Diplomas and programs mailed

Option 3 will be used only if the State of Ohio is operating under a stay-at-home order.

The most current information about graduation and commencement is at www.mercycollege.edu/graduation. Please direct any questions to registrar@mercycollege.edu.
