Save the Date: Alumni and Friends Weekend 2021

Mercy Alumni and Friends Weekend 2021 is being planned for September 25-26, 2021. Given

current Mercy College protocols in September, Option 1 is for all events to take place in person and Option 2 is for events to be offered in the virtual environment.

Alumni and Friends Weekend events will include Mercy Mile Walk, Alumni Banquet, Mass, and Brunch. You will receive more information about these events in the weeks to come.

Become a Mercy College Auxiliary Member

The Auxiliary is comprised of individuals who are interested in enhancing the mission of Mercy College through sponsoring events and projects to fund student scholarships and provide needed support for programs offered at the College.

Auxiliary events include Mass and brunch, jewelry/food sales, Christmas holiday, spring, and summer luncheons, and managing the Mercy College gift shop.

New members are welcome any time during the year. Become a member or renew your membership here. Membership is \$10 for an annual membership or \$75 for a perpetual (lifetime) membership. Questions can be directed to alumni@mercycollege.edu.

Mercy College Achieves Record Summer Enrollment

Mercy College's summer semester is off to a great start with a record high enrollment of 832 students, up 19% over summer 2020.

Lori Z. Edgeworth, MEd, Vice President of Strategic Planning, Institutional Effectiveness and Enrollment says, "We are excited to welcome all of the new students. In addition to the new programs, students are beginning in several of our online programs, and many are getting a head start for degree programs that begin in August."

Master of Physician Assistant Studies

Mercy College's Master of Physician Assistant Studies (MPAS) is a 118-credit hour, cohort-based program designed to provide a graduate-level learning experience that produces PA graduates who can provide competent, patient-centered medical care for diverse populations in a variety of clinical settings while also embracing service, scholarship, and leadership.

Located at the Mercy College Campus in Toledo, OH, the PA space features a dedicated PA classroom, laboratory, and student space as well as a suite of outpatient exam rooms. Other learning offerings include simulation laboratory, interprofessional education, Anatomage table as well as clinical skills laboratories.

The first cohort of 20 PA students began at Mercy College in May 2021. Mercy College is now accepting applications for the May 2022 start, when the second cohort of 25 PA students will begin. [Learn more](#) or apply now!
