April is Sexual Assault Awareness Month.

Mercy College Week 13!

Welcome to Week 13 of the Spring 2021 semester. **This is the thirteenth week of on-campus activities that will take place in the skills labs, science labs, and simulation settings. Students will participate in their clinical and practicum experiences as directed by their faculty members.**

Since we remain under pandemic protocol, all didactic/lecture content will continue in the online environment during spring semester.

Our college mission is to educate and inspire students to lead and to serve in the global community by living our values of compassion, excellence, human dignity, justice, sacredness of life, and service.

In the words of Catherine McAuley:

“We should be shining lamps, giving light to all around us.”

It is my sincere hope that you and your families are all well!

Safety and the health and well-being of everyone is first and foremost our top priority, which means that all safety plans must be followed to ensure a healthy environment.

Please continue to use all the safety and cleaning protocol by wiping surface areas, etc. Please continue to follow all signage that is in place.

Communication will be provided in weekly newsletters, president updates, Canvas, social media, and our website at www.mercycollege.edu/covid19.

Email is the official form of communication at the College!

EMERGENCY ALERTS

*Please sign up for **RAVE**, the Mercy College emergency alert system.*

Mercy College has partnered with Rave Wireless to provide an emergency alert system capable of delivering messages to your Mercy College and personal email addresses, as well as your land line and cell phone. Current students, faculty, and staff are automatically enrolled in Rave. To review or adjust your preferences visit <https://mercycollege.edu/student-affairs/rave-alert-system>

CURRENT COVID-19 NUMBERS

With winter and flu season upon us – the College will provide the most current numbers (includes Toledo and Youngstown), noting that the numbers change frequently. As of April 5, 2021, 9 students are in COVID protocol with 0 COVID + under the direction of Jennifer Barber, college health nurse.

Since March 2020, there have been 93 COVID+ students with 93 approved to return to campus.

Summer Plans for On-campus activities

The College plans to continue with on-campus activities this summer with skills labs, simulation activities and science labs. All other work will be completed online or using digital mediated technology.

As a pilot this summer, the Accelerated Bachelor of Science in Nursing (ABSN) students will be meeting entirely in-person for classes and their skills labs and simulation activities. The Physician Assistant Program (MPAS) will be meeting in the online/remote environment.

The College will continue to be open Monday-Friday from 8:30am-5:00pm for those faculty/staff on rotations and for those who need to visit campus for other reasons. Students will also have accessibility to the printers and study cubicles on Jefferson 6th floor during these hours to print and study.

Plans for fall are underway with an announcement coming very soon!

Mindwise, an online behavioral health screening, has launched

Mercy College has added a new, completely anonymous online tool to assist students, faculty and staff with screening their overall behavioral health - including mental health, substance use and more. The link to connect to Mindwise can be found on the [Counseling and Wellness page](#) on the Mercy College website as well in the [Student Success Center Module in Canvas](#) under Counseling and Wellness. Just click on the green button to begin. Participants will be directed to college, community, and online resources if desired. Please contact Ann Bair (Youngstown) or Suzanne Hall (Toledo) with any questions or concerns.

New Pay Rate for Federal Work-Study Student Workers at Toledo Campus

Did you know you can begin your Mercy Health career as a Federal Work-Study student worker at Mercy College? *Effective immediately, Federal Work-Study student workers will be paid \$15.00 per hour.* Important note – students must pass the Mercy Health hiring requirements that include a background check and drug test.

Federal Work-Study is need-based aid available to students enrolled at least half-time (must have a 2020-2021 FAFSA on file to determine financial need) and enrolled in a Toledo campus degree program (certificate students do not qualify). There is no guarantee of job placement, and typical jobs are approximately 10 to 20 hours per week. Please complete the [job application](#) as soon as possible. Remember to include your resume. Positions are currently open in the Enrollment, Allied Health, and Student Affairs Divisions.

Questions should be directed to the Financial Aid Office at financialaid@mercycollege.edu or 419-251-1219.
