Welcome to Week 8 of Summer Semester!

Contact Jennifer Barber, College Health Nurse if you have COVID or COVID-like symptoms. Jennifer.barber@mercycollege.edu.

Higher Education Emergency Relief Funding under the CARES Act for summer students will open from June 30, 2021-July 13, 2021. Please see Urgent email Message from President sent on June 30, 2021.

Welcome to Week 8!

Welcome to Week Eight of Summer 2021 semester. **This is the eighth week of on-campus activities that will take place in the skills labs, science labs, and simulation settings. Students will participate in their clinical and practicum experiences as directed by their faculty members.**

Since we remain under pandemic protocol, all didactic/lecture content will continue in the online environment during summer semester. The Accelerated Bachelor of Science in Nursing Students (ABSN) are participating entirely on-campus this summer.

Our college mission is to educate and inspire students to lead and to serve in the global community by living our values of compassion, excellence, human dignity, justice, sacredness of life, and service.

In the words of Catherine McAuley:

“We should be shining lamps, giving light to all around us.”

It is my sincere hope that you and your families are all well!

Safety and the health and well-being of everyone is first and foremost our top priority, which means that all safety plans must be followed to ensure a healthy environment.

Please continue to use all the safety and cleaning protocol by wiping surface areas, etc. Please continue to follow all signage that is in place.

Communication will be provided in weekly newsletters, president updates, Canvas, social media, and our website at www.mercycollege.edu/covid19.

Email is the official form of communication at the College!

EMERGENCY ALERTS

*Please sign up for **RAVE**, the Mercy College emergency alert system.*

Mercy College has partnered with Rave Wireless to provide an emergency alert system capable of delivering messages to your Mercy College and personal email addresses, as well as your land line and cell phone. Current students, faculty, and staff are automatically enrolled in Rave. To review or adjust your preferences visit <https://mercycollege.edu/student-affairs/rave-alert-system>

If you have questions, please contact the financial aid office at financialaid@mercycollege.edu and they will be happy to assist you.

A Summer Prayer

Long warm days...
The pace of life slows...
A time for picnics and rest in the shade...
Lord, help me to rest awhile
in the cooling shade of your presence.
Slow down my restless heart and
fill me with
gentle compassion for all your people.

Job Openings for Federal Work-Study Student Workers - Toledo Campus

Did you know you can begin your Mercy Health career as a federal work-study student worker at Mercy College? Mercy College is looking to hire new student workers for the upcoming fall semester. Mercy College federal work-study student workers are paid \$15.00 per hour.

Federal Work-Study is need-based aid available to students enrolled at least half-time (must have a 2021-22 FAFSA on file to determine financial need) and enrolled in a Toledo campus degree program (certificate students do not qualify). There is no guarantee of job placement and typical jobs are approximately 10 to 20 hours per week. Important note – you must pass the Mercy Health hiring requirements (which includes background check and drug test).

Please complete the job application, [available on the Financial Aid webpage](#), as soon as possible. Remember to include your resume.

Empower Upgrade and Downtime July 9-12

Empower Me will be unavailable from 8:00 p.m. on Friday, July 9 until 7:00 a.m. on Monday, July 12. No students, faculty, or staff will have access to Empower Me during that time, so please plan accordingly. Empower is migrating from their on-premises data center to the Oracle Cloud which will provide customers with increased security, reliability, performance, and support.

Youngstown Location to close in December 2023

This past week the Board of Trustees voted to approve the recommendation made by Mercy Health Youngstown Administration to close the Youngstown location. Mercy Health Youngstown will partner with another local university to offer the Associate Degree in Nursing. Mercy College of Ohio, Youngstown location will admit its last class in fall 2021. The day program will admit 96 students and the evening/weekend program will admit 32 students. The program will continue its excellence in education and all services will be provided until December 2023. The day cohort of students is expected to graduate in May 2023, and the evening/weekend cohort of students is expected to graduate in December 2023. We will continue to be Mercy Strong as we begin the Teachout and Closure process for the Youngstown location.

BSMH COVID-19 Precautions Continue

Bon Secours Mercy Health on May 24, 2021, announced that all associates (including students) even if vaccinated will continue to be required to wear masks, social distance and practice good handwashing while at the College. Thank you.

Mercy College Food Pantry

Not sure where your next meal is coming from? Struggling to put food on the table this semester? You're not alone. 1 in 3 Mercy College students have experienced food insecurity in the last 30 days. We can help. The Mercy College Food Pantry has food and resources available at any time. Find out more information at www.mercycollege.edu/foodpantry or contact us at foodpantry@mercycollege.edu.

Summer Plans for On-campus activities

The College plans to continue with on-campus activities this summer with skills labs, simulation activities and science labs. All other work will be completed online or using digital mediated technology.

As a pilot this summer, the Accelerated Bachelor of Science in Nursing (ABSN) students will be meeting entirely in-person for classes and their skills labs and simulation activities. The Physician Assistant Program (MPAS) will be meeting in the online/remote environment.

The College will continue to be open Monday-Friday from 8:30am-5:00pm for those faculty/staff on rotations and for those who need to visit campus for other reasons. Students will also have accessibility to the printers and study cubicles on Jefferson 6th floor during these hours to print and study. Summer classes begin Monday, May 17, 2021. Welcome to two new programs this summer: Accelerated Bachelor of Science in Nursing (ABSN) and Master of Physician Assistant Studies (MPAS). Welcome to all students starting summer 2021 classes at Mercy College of Ohio.

Fall Plans for On-campus activities

Mercy College expects to open with face-to-face instruction for the fall 2021 semester. Plans are underway to provide this return following any health guidelines in place at the time. Mercy College will continue to monitor the latest information related to COVID-19 and communicate all updates to the College Community. New guidance is coming from the state government, CDC and Bon Secours Mercy Health on a regular basis.

Mindwise, an online behavioral health screening, has launched

Mercy College has added a new, completely anonymous online tool to assist students, faculty and staff with screening their overall behavioral health - including mental health, substance use and more. The link to connect to Mindwise can be found on the [Counseling and Wellness page](#) on the Mercy College website as well in the [Student Success Center Module in Canvas](#) under Counseling and Wellness. Just click on the green button to begin. Participants will be directed to college, community, and online resources if desired. Please contact Suzanne Hall with any questions or concerns.
