

# Ready to Grow Your Future?

Why choose between school and your career? With 100% tuition coverage for select clinical pathways, you can do both! Starting day one of employment, eligible associates can access BSMH's education benefits program through Guild Education.

**Personalized Coaching & Support:** Connect for free with Guild's expert education coaches, who can provide dedicated, one-on-one guidance along the way.

**Debt-Free Programs:** Take advantage of a lifetime of learning with a wide variety of program offerings and no lifetime maximum for the education benefit.

**Maximum Choice & Flexibility:** Take command over your schedule with flexible start dates, self-paced learning opportunities, and online courses.

## How it Works:

As an eligible BSMH associate, you'll be able to take advantage of three different funding options — check it out:

### **Full Tuition Assistance** *(debt-free priority pathways)*

100% tuition coverage for select in-network clinical pathways including nursing, nursing support, medical assistant, respiratory therapy, and laboratory!

### **Standard Tuition Assistance** *(direct payment to learning institutions)*

Up to \$5,250 per year toward in-network academic programs and undergraduate degrees, and up to \$10,000 per year toward in-network nursing & graduate degrees.

### **Tuition Reimbursement**

Up to \$5,250 per year toward out-of-network academic programs and undergraduate degrees, and up to \$10,000 per year toward out-of-network nursing & graduate degrees.
